

Rowell Development Company

Creating Housing and Community Development

It's trackhoe time. Here comes Josh of Jondro Brothers Excavating

Man that's some machine, pulls trees right out of the ground...

Rowell Development Company

Creating Housing and Community Development

Scoops up all the left overs...

On to the next page and see how things are moving forward...

Rowell Development Company

Creating Housing and Community Development

Excavating and grading complete...

The lots next door are clear...
