

Rowell Development Company Creating Housing and Community Development

This site was just next door. Later it was acquired.

Sometime after acquisition a crew was hired to raze and clear debris...

Rowell Development Company Creating Housing and Community Development

Many hands make the work light..

On to the next page and see how things are moving forward...

Rowell Development Company Creating Housing and Community Development

The crew went right to work. Controlled burns are legal...

Fire reduces to ash...

Rowell Development Company Creating Housing and Community Development

Man that fire finished the job...

Moving right along...

Rowell Development Company

Creating Housing and Community Development

Non-combustible items were sent to a land fill

Check out the next phase...
