Letter from the Publisher

Fifty years in the making is a good time to reflect upon. We here in Royal Lake Resort No. 2 should look back and remember all those family and friends who have gone before us. The Golden Jubilee Souvenir Program has on the back page a Memorial of persons that lived here and since passed on. Become a proud owner of Royal Lake Resort No.2's Golden Jubilee Souvenir Program just \$1.00 donation. Call a board member for a copy. It'll make a fine table magazine.

Life is only what we make of it. Our awareness of the past helps us to maintain our bearings. The idea of celebrating an occasion helps unify the community. We have this earth in common and now we must tap in our resources to provide for a prosperous future

Royal Lake Sewer District

Property Owners recently you should have received a letter and survey form to complete and return. This is very very important please if you have not gotten a survey form contact Steve Mall.

The letter and survey sent allows us to obtain the necessary data to move forward with plans for a sewer system in Royal Lake Resort No. 2

Royal Lake Improvement Committee

Please plan to attend the next community meeting. We are here for you. Although we won't know what's on your mind if you do not come to the meeting. Remember **"We're Building Fellowship"** Come and fellowship with us, together we can achieve great things.

Our next meeting Tuesday July 24, 2007 we're hosting special guest. From the State of Illinois Ida Hill, Coalition for Community Service, and from Glen Carbon IL Kim Franklin, President ASWA. Please help make them welcome.

Mrs. Laura Dill was elected Treasurer as Tammy Rickett, resigned the position. We need a person to chair the youth activities. Our next job is to renovate the community building. We'll post a wish list of material. But we need hands to make the work light. Sign up for a committee at the next meeting.

Royal Lake Booster Club Notes

Once again the Royal Lake Booster Club supports the activities of the Royal Lake Improvement Committee. A Sewer System here in Royal Lake would be the best thing to happen here in a long time. It will bring change in the future. We have the opportunity to make it work for us. How about a little CCC: Care **C**ommitment and Communication. Complete that survey and send it back.
