

## G R E E T I N G S

The Royal Lake Community Club was organized May 6, 1972, as a non-profit organization, to enhance the cultural, civic and social environment of the community.

It was certified by the General Not For Profit Corporation Act of Illinois, December 31, 1974.

Today we dedicate our Community Center, as one of our primary goals, which will ultimately lead to the enrichment of the cultural, social and civic growth of the Royal Lake Community.

It is with appreciation and gratification that we thank you our friends and the Carlyle-Clinton County community for supporting our many endeavors.

Mrs. Louella C. **White**, President
