AND

THANK YOU

The Building Fund Committee of the Royal Lake Community Club welcomes you to the dedication of their new Community Center.

We extend our thanks to the many businesses and individuals who patronized us in our building fund efforts through the ads and patrons that appear in this booklet.

We hope you enjoy the food and festivities we have planned for you this afternoon.

Again, we thank you for helping us to see this Community Center a reality.

Sincerely,

Lillie Green, Chairman
